

LADIES' CHALLENGE PLATE

(Holders—Jesus College, Cambs. "A")

HEAT 1

Bucks—NEW COLLEGE, OXFORD 1

Berks—SELWYN COLLEGE, CAMBRIDGE... 2

Won by 3 feet in 7min. 35sec.

Selwyn led away and gained slowly up the Island, to lead by $\frac{1}{2}$ length at the Barrier. Selwyn were still ahead at Fawley, but "New" were beginning to come up. At the mile Selwyn still had a quarter of a length, but at the top of the enclosures "New," with a great spurt, drew level. It was a great race to the finish, New College getting ahead to win by 3 feet.

HEAT 2

Berks—ORIEL COLLEGE, OXFORD 1

Bucks—BRASENOSE COLLEGE, OXFORD .. 2

Won easily in 8min. 10sec.

This result was not unexpected, although the margin of Oriel's victory was rather startling. By the first signal Oriel were clear, although rather badly steered. At Fawley (3min. 47sec.), Brasenose were a long way down, but from there in Oriel eased up, and were not striking more than 28 to the minute, which explains the relatively slow time.
