

NOVEMBER 1932 UNIVERSITY ROWING

Third Trinity Beaten in Light Fours at Cambridge

Third Trinity were beaten by Christ's in the second round of the Light Fours at Cambridge yesterday, and thus make an early retirement from the competition for the second year in succession, after having an unbroken series of nine wins. Erratic steering at the Pike and Eel, when within sight of the finish, cost "Third" the race, as at that point they held a slight advantage. Christ's finished strongly and won by about a canvas.

The other three heats were won fairly easily and in each the boat rowing from front station was successful. The semi-finals to-day will be between Selwyn and Christ's and Jesus "B" and Clare "A." Details:
